Meeting was called to order by Amy Talucci at 3:10 pm

Old Business:

Spring Fling: The fling will be held May 15 at The Seafood Shack Marina Bar & Grill. Some of the fling board members met with the chef today and finalized the menu. The music will be done by Trevor Bystrom's band. He is an old AME student. Amy is going to start updating us on the sponsorships she receives.

Directories: There were too many changes that needed to be done and we were too far into the year so the directories will not be sent out this year. We will use the layout for next year's directory and start sooner.

PTO Elections: Jocelyn and Sally have the PTO election ballots completed and will be sending out in the student's folders by end of week. The new board will attend next month's meeting to discuss basics and the '15/'16 yr budget.

New Business:

End of Year Volunteer Reception: An end of year volunteer reception is being planned. Amy is looking into places to hold it.

Teacher Wish List:

-the school grounds need to be cleaned up- Mrs. Featherston is going to speak with Mr. Todd regarding this to see if we need to bring in an outside company and use our wish list money.

-there have been requests for new computers. Mrs. Featherston is going to work with the staff to see if some of the old computers can receive technology updates instead of us purchasing brand new ones.

-Jocelyn secured agreement with Island Real Estate to cover the fish tank expense which takes it off the wish list and relieves the budget.

-Amy is working with the teachers to get other wish list requests.

Mrs. Moran will be retiring this year. She has requested that no party be given in her honor at the end of the year.
